**SOMA PHARMACY IS A NEW TYPE OF DRUG STORE. WE CARE.**

Our pharmacists and staff greet you by name or with a welcoming wave. There's a **children's play space** and waiting area. The carefully selected furnishings, designed and imported from Italy, provide a **friendly open-air warmth**. **SOMA caters to everyone** – individuals/families, young/old and everyone in-between. We are reaching out to area pediatricians and other doctors to have the right mix of on-hand prescriptions to speed up your recovery! Enjoy a **free review of prescriptions and over the counter (OTC) medications** the first Tuesday morning of every month (no need to be a client) to reduce unanticipated health concerns. **Free monthly medication dispensers** are available to ensure all are prescriptions and OTC are taken correctly daily/weekly.
